New Product Training

- **JFX220-2515, UJF200, UJ330H-160, TxF330-800 Training**
- New product class dates will be updated in early October
- Mimaki USA will expand our certified trainers to increase in-house and on-site training opportunities.
- Increase regional trainer availability.
- Friday webinars are available on a variety of Mimaki products.
- Mimaki eLearning access will be expanded in the coming months for easily accessible product and technical information.
- Nov – April Schedule posted
- <https://www.mimakiusa.com/support/dealer-training>

The screenshot displays the Mimaki eLearning dashboard. At the top, the Mimaki logo is on the left, followed by a search bar with the placeholder text "Search or ask a question". To the right of the search bar are links for "Usage dashboard", a refresh icon, a notification bell with a "2" badge, a settings icon, and a user profile icon labeled "OE". Below the header, it says "59 Items". The main content area lists several training courses, each with a status icon, a title, and a language indicator (EN | E-learning):

- (C) UJF3042 Series Core Technologies**: Status icon shows a lock (locked). Course is under maintenance.
- Advanced Digital Learning Development**: Status icon shows "In progress" with a play button.
- Basic education**: Status icon shows a lock (expired).
- Basic Training**: Status icon shows "In progress" with a play button.
- Basics of inkjet and it's application**: Status icon shows "Completed" with a checkmark.
- CJV 150/300 Series**: Status icon shows "In progress" with a play button.

On the left side of the dashboard, there is a vertical sidebar with icons for home, heart, user profile, document, bar chart, key, puzzle pieces, and a folder.

Thank you!
