

You can now view the ink configurations for each printer series on the "Printer/Ink Configs" report.

You'll find this report in the "Resources" section (see snip below)

The screenshot shows the Mimaki software interface. On the left, there is a navigation sidebar with the following items:

- Dashboard
- Accounting
- Orders
- Pricing/Inventory
- Resources** (This item is highlighted with a red box)
- Sales

On the right, the main window displays the "Printer/Ink Configs" report. The title bar says "Printer/Ink Configs" and "Resources | Printer/Ink Configs". The report table has the following columns:
