\$2,070 MSRP Value

All prices are USD

- Even with long-length output, continuous operation for 8-9 hours is possible (approximately twice as long as conventional models)
- Can be operated without stopping the machine, even during overnight long-length output.

*Additional 4 cartridges supports White ink only

With a conventional 8-cartridge system, when outputting long jobs that require a large amount of ink, the white ink could run out in 4 to 5

A smaller image showing a conventional 8-cartridge printer with a standard ink system.

All products must ship and invoice on or before July 31st to be eligible for promotions and pricing.
