

# Mimaki Trade-In, Trade-Up Program

Learn more: [www.mimakiusa.com/trade-in-trade-up-program/](http://www.mimakiusa.com/trade-in-trade-up-program/)

Trade-In your old printer, or Trade-Up from your existing Mimaki printer and receive a **\$2,000 rebate** after purchasing a new Mimaki printer!

## How it works:

1. Buy a new qualifying Mimaki printer
2. Installation by authorized Mimaki technician
3. Register your new Mimaki printer with Mimaki USA
4. Take picture of the model & serial number of the printer to be traded in
5. Submit rebate form with machine and end user information

That's it! Once the form has been submitted and qualified, the \$2,000 payment will be paid directly to your bank account or via check within 45 days of approval.
